Summer Camp Program

It's not too early to start thinking about Summer Camp. Playworks offers a recreational Summer Camp Program that is as much fun for the students as it is for the teachers. Summer Camp is open for children entering 1st - 6th grade in the fall of 2011. Our program offers everything from arts and crafts, field trips, cooking projects, to sports and community service. Full-time and part-time rates are available and cost includes meals, snacks, and admission for trips. This fun and exciting Summer Camp is open to the public! Arts & Crafts

Put your children's fine motor skills to work!

We offer coloring, painting, cutting, and/or gluing with each project. Special projects are done around each holiday or special occasion.

Outdoor Trike Park

Weather permitting, children ages 16 months - 4 years will play outside in our fenced trike park. Complete with a sandbox and playstructure, among many wagons and trikes, the park is ideal for children to interact with their peers.

Atrium Day/Hoka

Children 18 months and up will be accompanied through the new structure as well as explore all that the Atrium has to offer. This activity is subject to change depending on group reservations and staffing. Hoka is a huge inflatable dragon, provided for the children to jump and slide in. A staff member is in Hoka at all times while children are present.

Classroom Free Play

A perfect time for children to socialize and build friendships with their peers. Pod 6 provides a variety of toys and activities for positive, age appropriate play.
