PLAYTIME ATRIUM IS FEATURING OUR NEOS GAME SYSTEM

What is NEOS? NEOS is an electronic play system that combines the speed and fun of video games with the movement of aerobic exercise to create a physically challenging and exciting activity. Playworks features the NEOS Wall which has four interconnected towers with four light sensors on each tower. Nine different games and three different skill levels offer players an endless supply of games and challenges. Players test their ability to stay balanced, anticipate responses and react while trying to achieve a high score. Come in today and try it out for yourself!
