## What about school break days?

The School age teachers will plan fun field trips and activities on school break days that your children will love! Please note: You **cannot** drop your rate to a lower rate than what your child's normal weekly contract rate is. The cost of field trips and meals are included in your tuition rate. **Please note**, we require a minimum of one week notice for temporary schedule changes.

## What if I don't need weekly care, but I need care for my child on school break days?

If your child only needs care on school breaks, we recommend that you call and reserve a spot 2 weeks in advance. Your child needs to have current enrollment paperwork on file. The cost is **\$60** per day or **\$250** per week.
